"My dearest girlfriend, I hope this message finds you in good spirits and ready for a good laugh. Let me tell you, you're one lucky lady to have a boyfriend like me. I mean, just look at me - tall, proud, and mighty, with the talent to make music with my farts and the skills to drive you up the wall with my constant League of Legends playing. And let's not forget my newest talent - injuring myself while playing volleyball. I'm like a jack-of-all-trades!

In all seriousness, I may not be the traditional definition of a great boyfriend, but I promise you that I will always do my best to make you smile and laugh, even if it means getting hurt playing volleyball or annoying you with my constant gaming. I love you and I'm grateful to have you in my life."
